

Champs Admissions Policy

Champs is a part of Henry Chadwick Primary School

The purpose of this policy is to ensure that all children have the opportunity of attending champs. Champs can then offer places of availability to parents whose children who are need in of childcare.

When a child receives a place in champs, a registration form will need to be completed upon arrival, this will include the following:

- The child's home address and two emergency contacts
- Any allergies that we need to be aware of
- A signature from their parent/guardian
- Any additional details/needs that are required

Booking forms will be sent out to families that use CHAMPS at around the middle of the month for the following month. We request that these are completed and returned in order for us to staff appropriately. We do understand that sometimes childcare needs arise at short notice and we are able to accommodate children in this situation. Should you wish to book your child into CHAMPS and have not submitted a form, please contact:
HEN_Champs@henrychadwick.staffs.sch.uk

If a child is booked into CHAMPS and the slot is no longer required, please cancel within 24 hours of the booked slot to avoid being charged. Should a slot be booked and children don't attend, a charge will still be made.
