

Henry Chadwick Consent Form

Occasionally, we take photographs of the children in school. We may use these images in promotional materials (including those produced by the Greywood Multi-Schools Trust), on our website, in children's books and on displays in school. We may also take video recordings for educational use.

From time to time, our school may be visited by the media who will take photographs or film footage of high profile events. Pupils may appear in these images which could feature in local or national papers or on televised news programmes.

In compliance with the changes to the data protection law (GDPR), we need your permission before we photograph or make any recordings of your child for non-educational purposes. Please answer the questions below and return to us as soon as possible.
