Spellingframe

Dear Mums, Dads and Carers,

We have been given a fantastic opportunity to trial 'Spellingframe' which is an online, interactive learning platform to support the teaching and learning of spellings.

We hope that the children will find it engaging and supportive as we recognise that learning spellings is, at times, challenging.

As spelling is a vital component of any writing we do in school and an important life skill, we hope that Spellingframe will encourage children and make learning spellings fun!

We would very much appreciate if you could facilitate the Spellingframe activities with your child at home, and of course share any feedback you may have with us.

Your child will be bringing home today their username and password to access the site. If you have any queries or problems, please let me know.

Thank you for your continued support.
