

Decorate a Jar

Get Creative - decorate a Christmas Jar is back!

The 'decorate a jar' activity has proved extremely popular in recent years, both with children who design the jars, and with friends and family who can win the jars at the **Christmas Event**.

This year the PFA are once again organising 'decorate a jar' in preparation for the Christmas Event on **Thursday 5th December** (save the date it's going to be amazing!).

All jars will be raffled off at this year's Christmas Event. Buy a ticket and match the number to win a jar full of surprises.

Here's what you need to do ...

- 
- Ask a grown up for a clean empty jar with a lid! Any size will do (but no pickled onions please)
 - Fill the jar with small items of your choice e.g. sweets, chocolates, soaps, stationery, hair bobbles, small gifts etc.
 - Decorate the outside of your jar. Use your imagination and base your design on a theme of your choice.
 - Jars need to be handed in at the school office by

Friday 29th November
